

WCPO Purse Seine Tuna FIP Social Improvement Programs

There are two active social programs within the WCPO Purse Seine Tuna Fishery Improvement Project (FIP) [the Thai Union Vessel Code of Conduct \(TU VCoC\)](#) and Vessel Improvement Program (VIP), was first published in December 2017 and the FCF [Social Responsibility Program \(SRP\)](#). All vessels within the FIP are required to be part of one of the programs and to demonstrate improvements against the requirements.

The audit procedures demonstrate a continual cycle of improvement. After the initial audit, a verification audit must take place to ensure any improvement action plan is implemented and effective.
